

Product Description

The 3000DC-RT cart has a cell system compartment that can accommodate 24" D (61 cm) accessories or the 3000AP accessory package, shown here. Upper section can accept three dilator trays (DT), two are included. Each tray holds 12 dilators. Pull-out, eight hook Cath Manager (8CM) in the lower compartment stores disposable supplies. Work surface has a raised edge to prevent items from falling off the cart. Cart comes with an easy grip bar for pushing/pulling the cart and a durable bumper around the perimeter of the base.
