

## Product Description

The 3700VV is compact and lightweight making it easy to maneuver and transport supplies between the storage room and the procedure room. The cell system accommodates 24"D (61 cm) accessories or two 3700AP accessory packages, shown here. The cell system has 30 usable cells, 15 per side. The cart features handles on both sides and a roller bumper at the base of each handle. Two tambour doors operate independently and lock at the center.
