

Product Description

The 4100 cabinets have a cell system to accommodate 24"D (61 cm) accessories or the 4100AP accessory package. The cell system has 36 usable cells, 18 per side. The interior ceiling is pre-set to hold up to six optional pull-out Cath Managers (8CM). The center column can be removed to accommodate seven pull-out Cath Managers or full-width drawers (24x36DR) and/or shelves (36SH). Door options include a locking roll top door (4100C, shown here), or glass hinged doors with lock (4100GDA). The sloped top meets healthcare requirements.
