

Product Description

The 4200CC has seven pull-out Cath Managers (8CM) each with eight hooks. Each hook can hold 10 – 15 catheter packages. Maximum package length is 62 1/2" (158.8 cm). The cell system accommodates optional full-width drawers (24x36DR, as shown) and/or shelves (36SH). Standard features include a locking roll top door, an easy grip bar for pushing/pulling the cart, 5" casters and a durable bumper around the perimeter of the base.
