

Product Description

The 4300HC has a cell system to accommodate 24"D (61 cm) accessories or the 4300AP accessory package, shown here. The cell system has 14 usable cells, 7 per side. The interior ceiling is pre-set to hold up to six optional pull-out Cath Managers (8CM). The center column can be removed to accommodate seven pull-out cath managers or full-width drawers (24x36DR) and/or shelves (36SH). Standard features include a locking roll top door, an easy grip bar for pushing/ pulling the cart, 5" casters and a durable bumper around the perimeter of the base. Seamless plastic work surface with raised edges prevents items from falling off the cart.
