

Product Description

The 4700SC includes 10 shelves for suture box storage. Each shelf holds up to nine suture boxes. Clear, hinged, locking double doors on both sides of the cart allow for easy viewing of supplies. Cell system at the bottom of the cart has 3 usable cells which can accept 18"D (45.7 cm) accessories accessible from one side for additional storage. The 4700SC has easy grip bars for pushing/pulling the cart and a durable bumper around the perimeter of the base.
