

Product Description

The 4800 scope cabinet is constructed of metal with a locking roll top door. This cabinet features ambient air vents, a removable drip tray, and a padded rear wall under crossbar to protect scope optics. The "VA" and "DV" models include a top-mounted air ventilation system. Partial sloped top meets healthcare requirements. Hanging lengths vary depending on your cabinet choice: Single or Double Scope Manager®, and/or use of RTKE lock.
