

Product Description

Quick to assemble and easy on any budget, QuickWire enclosed carts are 24" (61 cm) deep, with shelving widths available in three different sizes. Enclosure panels prevent supplies or linens from falling out of the back or sides of the cart. The cart includes four chrome posts, four chrome wire shelves, enclosure panels for three sides, one clear shelf mat, and four 5" (12.7 cm) swivel casters, two with locks. Shown here with extra shelf.

Product Specifications

Materials

Frame Posts	1" (2.5 cm) diameter steel.
Wire Shelves	1/4" (.6 cm) diameter steel wire frame with 3/16" (.5 cm) diameter wire ribs spaced every 1" (2.5 cm). Three truss design for maximum strength.
Shelf Mat	Shelf mats are 0.30" thick. Clear, flexible ant-static PVC material. Cut to fit standard shelf sizes. Helps to protect from contamination and reduce sterile package tearing. Shelf mats may also be ordered oversized and trimmed to fit your existing shelves.
Casters	5" diameter polyurethane wheel, zinc plated housing, set includes (2) braking casters and (2) non-braking casters. Use with no-insert posts. Rated to hold combined maximum of 1200 lbs (545.5 kg) per mobile unit.
Enclosure Panels	Mounting hardware included. Each size can be used in combination to create an enclosed cart.
