

Product Description

This Triple Wide Cart with hinged aluminum and glass doors provides a quick identification of supplies. The modular cell system accommodates 24"D (61 cm) accessories. The cell system has 18 useable cells in the left column for interchangeable trays and baskets. The interior ceiling is pre-set to hold up to three optional pull-out Cath Managers (8CM), each with eight hooks, in the left column. The full-width section on the right has 18 useable cells and accommodates full-width drawers (24x36DR) and/or shelves (36SH), and the ceiling is pre-set to hold up to seven optional pull-out Cath Managers (8CM). This cart features lightweight aluminum doors with glass inserts and white pull handles, easy grip bars for pushing/pulling the cart, 5" casters and a durable bumper around the perimeter of the base. Key lock standard. Accessories sold separately.
