

Product Description

This double wide cart with hinged aluminum and tempered glass doors provides for quick identification of supplies. The 4200 cart comes in three versions and includes a modular cell system to allow for optimal organization of supplies.

The interior ceiling is pre-set to hold up to six optional pull-out Cath Managers (8CM). With a full center column there are a total of 38 usable cells, 19 per side.

The center column can be also removed to accommodate seven pull-out Cath Managers, full-width drawers (24x36DR) and/or shelves (36SH).

All models come with an easy grip bar for pushing/pulling the cart, 5" casters and a durable bumper around the perimeter of the base.

Key lock is standard on all models. The NC & SC versions are available with Digital Keyless Entry. Accessories sold separately.

Product Specifications
